In the table below, list your total gross sales and handling charges of organic products for the period (year) indicated. List sales made as Montana Department of Agriculture (MDA) certified and those certified by other organic certification agencies. Do not include any non-organic sales. You may report total sales/handling charges for individual products or (only) total sales/handling charges of all organic products. The Department may examine your sales records to verify this report. Refer to the Handler Fee Schedule, included with your Continuation of Certification Packet, to determine the appropriate assessment fee. Submit this Sales Report and the appropriate Assessment Fee with your application.
